

Create your own community – Microsoft Teams

Partners

You can create communities within Microsoft Teams by using the Create Community app.

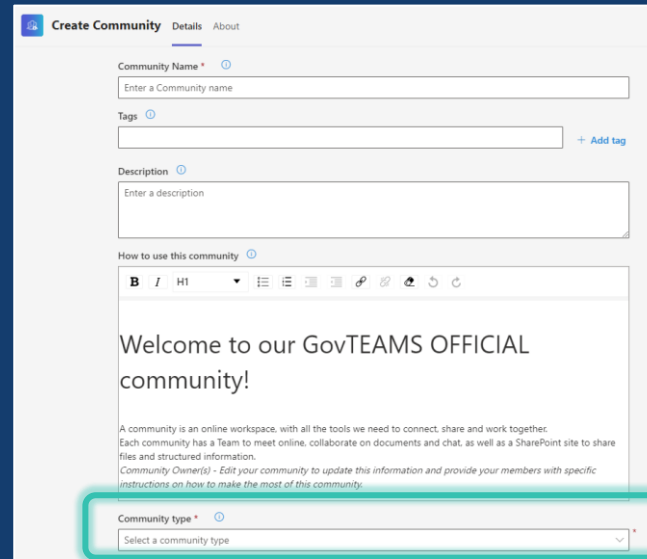

1

Select the Create Community app in Microsoft Teams.

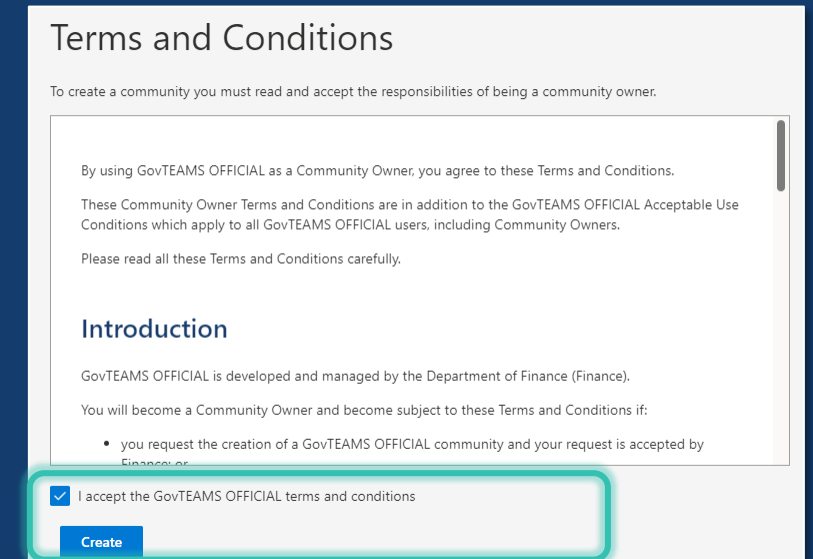

2

Enter community details, select community type.

3

Read and accept the terms and conditions.

Community types:

Private: easily discoverable, members must request or be invited to join.

Hidden: Not discoverable by anyone, members must be invited to join.

Partners cannot currently create open communities.
